Student Reflection Worksheet

Fill this out after completing your **Paws Up Project**. Think carefully – your answers matter!

Section 1: About Your Project

Name: _____

Date: _____

Project I Competed:

Shelter or rescue I helped:

Who worked on this project?

(just me, my whole class, my scout troop)

Draw and/or describe what you made or did:

Section 2: Reflection

1. Why is this project important for shelter animals? What problem does it help solve?

2. How did completing this project make you feel? Did anything surprise you?

3. What did you learn about animals in shelters or rescues that you didn't know before?

4. What was the most challenging part of your project? What would you do differently next time?

5. If you could tell someone your age why they should do a Paws Up Project, what would you say?

Section 3: Share Your Project!

You did something amazing for shelter animals!

Now share it - your story could inspire another kid to do the same thing.

Post a photo and tell us about your project at pawsupprojects.org/post-your-project

Ask a parent or teacher to help you upload your photo and share what you did.

Did you post your project online?

☐ **Yes!**

☐ **Not yet** — I'll do it soon

If you posted, what was the response like? Did anyone comment, share, or get inspired?
